「沉睡的賢者」
一直在指引著某人…
安眠於天使心中做著無法清醒的惡夢，
那個人就是你—DARK。

STAGE 2 vol. 2

I wonder why.
What?
Riku-san and I like each other now, but it's still the same.
This 'tendency' to transform.

You'll turn back to normal if you like each other!
... or so she said.
As long as you don't tell Riku that you're 'me,' it's not gonna work.
To say that you like 'each other'... how cute.
I told you, didn't I?
How can only one side of the equation work?
That
'I am you'...

Soushirei-dono...
But that's-
Enough chit-chat!
He seems to have been waiting.
Hiwatari-kun...

.....
I'm back...
Ah! Welcome back, Riku!
ナデナデ
You're okay with sleeping next to Risa, right?
Hey~ I'll take that bed, okay?
... you guys are both acting a bit weird today.
Ah! Yeah, sure!
Riku?
Riku!

THAT'S NOT-
You're kinda down...
... ue...
tru...
I'm gonna sleep when I say I'm gonna sleep!
Eh~ but it's only 9 o'clock~
I'm gonna go to sleep.
Exactly the same~
Aw~ you guys are in synch!
Most definitely twins!

Then I'm gonna go over next door!
I'm taking the key~
不會吧！
Hey~~~ that's no fun~~~
I'm sleeping, too.
Sorry.
カチャ
Riku...

There's nothing between me and Niwa-kun...
I know.
That... was a misunderstanding...
Good night.
I shouldn't have said it.
That kind of a thing...

me only because I'm 'the same' as Risa!!!
I was afraid that Niwa-kun liked
is becoming larger and colder in my heart...
This anxiety that I finally realized after I said it...
Niwa-kun's hurt expression...
I shouldn't have said it.
It's painful... Niwa-kun...
I shouldn't have said something like that...
Niwa-kun.

Commander...
no, Hiwatari.
I have no interest in your hobby.
All I want is you
You seem to always want to disrupt my work somehow
... I don't wanna hear that kind of a thing from a GUY!!!

※嗚哇 疙瘩掉滿地

I'll steal it before it gets too cold up here!
Right now!
You're at a disadvantage without wings!
...Wings?
In that case, run away with those wings you're so proud of.

If you *can* run away.
A mirror?
You've already been caught.
And that is also the worth of your existence.
Dark, you know very well that works of art made before the Cultural Revolution have magic in them.
Then, let me pose a question to you.
This sound!

Yes, that's the answer!
I don't have it!
The Sage of Sleep is two and one-
Where's the Sage of Sleep that you stole last night?
Whereever they are-
Then Dark-
they call each other!
!?

Now-
return!
SH*TII
DARK!
It has the attribute of seizure?!

Daisuke!
GO *BACK*!!!
DARK!
It's no use!
Don't come!
But if I let go-!
It's okay!
I could survive for a while in there!
But didn't you say so yourself?! I am you!!!
NO, I'LL NEVER LET GO!

DARK,
this is your end!

…

……

... Niwa...
The damage on this side is worse than I thought...
But in return, I was able to capture Dark...

Sh*t!
!!
Has the magic gone out of control?
... no...!
This is...!

"He" is...
tearing into me-!!!
Blood of Hikari...!
The cursed...

Kill yourself...
Wings?
So that "he" may never awaken...!
And do not hold anything dear to you...!
The sound of wings...?

DARK!
You were alright...!
DA...RK...

Pure white wings...
Who...
You have awakened.
No,
It's not Dark...

吱
I have waited...
for you to wake up...
Who are you...?

I must pay you respect...
The Wing Master of my kind,
Me...
Yes.
Niwa Daisuke...
What is this...
I feel like I know this person...
Bam bam bam!

WITH!
Teikyuu...
Why did you do such a thing-!
WITH!
'Teikyuu' basically means someone of a very low or vulgar rank

Before that...
Ah!
shouldn't you worry about yourself first?
!!

My name is 'Krad'.
You do not have to remember it.
But...
Ugh!
I remember now...
Because here...
This is from "that" dream...
You will...

Die.
From that dream...
.....RK.....!
Gotcha.

Wings...
Mm...
是DARK…？
